PROJECTS

Business Development Executive | Assets99 Real Estate Pvt. Ltd., Assets99 — Apr '26 — Sep '26, Patna, India

- Generated and converted real estate leads through digital marketing, social media campaigns, and direct client outreach, contributing to property sales and revenue growth.
- Managed end-to-end client interactions, including lead qualification, property presentations, site visits, follow-ups, and deal closures.
- Built and maintained strong client relationships, resulting in increased referrals and repeat business opportunities.

IT Help Desk Ticketing System — Sep '25 — Nov '25, Patna, India

- Created a help desk ticket management system to track, prioritise, and resolve user-reported technical issues.
- Logged and categorised support tickets based on issue severity and impact.
- Tracked ticket lifecycle from creation to resolution.
- Documented troubleshooting steps and resolutions.
- Reduced average response time through organised ticket prioritisation.

Customer Support Simulation Project, NHCE — Oct '24, Bangalore, India

- Simulated customer support interactions through email and chat scenarios.
- Resolved customer queries involving account access, password resets, and software installation issues.
- Practised professional email and chat communication.
- Maintained high first-contact resolution rates during simulated scenarios.
- Documented customer interactions and escalation procedures.

Freelance Client Support & Website Management, NHCE — Jul '24, Bangalore, India

- Communicated with clients to gather requirements and resolve technical issues.
- Provided ongoing support through email and messaging platforms.
- Diagnosed website performance issues and implemented solutions.
- Managed multiple client requests while maintaining timely communication.
- Documented issues and resolutions to improve future troubleshooting efficiency.
